Subject: Upper Animas Coordination Meeting

Hi Doug – This is a follow-up to our recent conversation about coordination on the Upper Animas Mining District. We would like to set up a meeting with project managers, supervisors, program directors, site attorneys and community involvement coordinators to discuss the draft site management strategy EPA has developed for moving forward with this area.

Please let me know the appropriate people from your office (and the AGO) to include in these discussions. Once we have a complete list of invitees, we'll do the really hard part and look for a date that works for everyone.

Thanks,

Steve
